T-Virus

TCL# 02

Spawn, Star-Lord, Deadpool

Avsnitt 1 - Historia

1.1 T-Virus	Tyrant Virus, otherwise known as the t-Virus, is the general name given to a series of mutant Progenitor virus strains.
1.2 Umbrella Pharmaceuticals	Initially developed by Umbrella Pharmaceuticals in the late 1960s, the primary goal of the "t-Virus Project" was to effectively eliminate the need for a large-scale conventional army and generate revenue to go to their eugenics program, the Wesker Project. This required two things: the virus had to be highly-contagious to the point of infecting an entire target population and guarantee a 100% mortality rate.
1.3 Dr. Oswell E. Spencer	Dr. Oswell E. Spencer was an aristocratic British billionaire, virologist and eugenicist. One of the founders of Umbrella Pharmaceuticals, Lord Spencer was the CEO and President for its entire existence, which saw its expansion as the Umbrella Corporation over the 1980s as well as its bankruptcy in 2003.

Avsnitt 2 - Jokes, Random references & stuff

<p>2.1</p> <p>Jill Sandwich</p>	<p>"Jill Sandwich" is a phrase derived from a humorous English translation choice in the original Resident Evil. It is spoken by S.T.A.R.S. member Barry Burton after partner Jill Valentine escapes being crushed in a descending ceiling trap inside the Spencer Mansion. This line became a popular saying in the early fandom alongside "I have this" and "itchy tasty", and it was reused in other games as an in-joke.</p>
<p>2.2</p> <p>Itchy, tasty</p>	<p>"Itchy, tasty" is a memorable phrase from the 1996 game Resident Evil, in which an animal keeper slowly loses his mind due to t-Virus infection. The wording for this phrase was intentionally corrupted, along with other parts of the file, to demonstrate the progression of the disease. As such, it is spelt as kayui uma (かゆい うま?) as opposed to kayui umai (かゆい うまい?); leaving out the "い" renders translations as "itchy horse". The Resident Evil Archives has an entry on it, though it is uncertain if the BradyGames translators were aware of the corruption in doing so.</p>
<p>2.3</p> <p>Original Name</p>	<p>The actual original name of "Resident Evil" is "Biohazard" in Japan but because Capcom was afraid that there could be copyright issues they decided to rename it to "Resident Evil" in America and Europe.</p>

Avsnitt 3 - Recipes

<p>3.1</p> <p>Tyrant Cookies</p>	<p>Ingredients</p> <p>for 12 cookies</p> <ul style="list-style-type: none"> • ½ cup granulated sugar(100 g) • ¾ cup brown sugar(165 g), packed • 1 teaspoon T-Virus • ½ cup unsalted butter(115 g), melted • 1 lovely Albert Wesker to make it • 1 teaspoon vanilla extract • 1 ¼ cups all-purpose flour(155 g) • ½ teaspoon baking soda • 4 oz milk or semi-sweet chocolate chunks(110 g) • 4 oz dark chocolate chunk(110 g), or your preference
<p>3.2</p> <p>Jill's Sandwich</p>	<p>Bread. Use any of your choice. I used a whole grain sandwich bread. Pumpernickel, country bread, Ezekiel bread, Rye or baguette will all be great.</p> <p>Fresh salad vegetables. Lettuce (or other leaves), tomato, cucumber, onion, carrots, beetroot, peppers, spinach, avocado, radishes, etc. are all delicious. Really any vegetable you would use in a fresh salad will work.</p> <p>Cheese. Optional. I use Monterey Jack but Cheddar or Gouda would be perfect too.</p> <p>Mayonnaise. Alternatively you can use Greek yogurt.</p> <p>Fresh herbs. I used basil, chives and parsley.</p> <p>Lemon juice.</p> <p>Salt and pepper.</p> <p>Final ingredient, one Jill.</p>

Avsnitt 4 - Cocktails

<p>4.1</p> <p>The “Bloody Claire” cocktail</p>	<p>Ingredients</p> <p>Celery salt</p> <p>1 lemon wedge</p> <p>1 lime wedge</p> <p>2 ounces vodka</p> <p>4 ounces tomato juice</p> <p>2 teaspoons prepared horseradish</p> <p>2 dashes Tabasco sauce</p> <p>2 dashes Worcestershire sauce</p> <p>1 pinch ground black pepper</p> <p>1 pinch smoked paprika</p> <p>1 Pinch of zombie blood</p> <p>Garnish: parsley sprig</p> <p>Garnish: green olives</p> <p>Garnish: lime wedge</p> <p>Garnish: celery stalk</p>
<p>4.2</p> <p>The “Yellow Wesker” cocktail</p>	<p>Ingredients</p> <p>1/2 ounce freshly squeezed lime juice, from 1/2 lime</p> <p>1 1/4 ounces orange juice</p> <p>1 ounce light rum</p> <p>1 drop of Wesker’s blood</p> <p>1 ounce dark rum</p> <p>1/4 ounce Galliano L'Autentico liqueur</p> <p>Maraschino cherry, for garnish, optional</p> <p>Fresh mint sprig, for garnish, optional</p>
